Creativity Bears Fruit

At our core

The Lassonde Food Service team is continually putting its vision and business expertise to work, collaborating with partners to offer unique solutions in fruit-based beverages and snacks.

We have an unquenchable thirst for innovation. Naturally delicious and captivating, our beverages and snacks are specially blended for your customers' needs.

For us, creativity is equal parts passion and invention – with a spritz of fun for motivation.

We believe that partnership is the key to success and that fruit can provide constant inspiration.

At Lassonde Food Service, we're always dreaming up new ideas. The possibilities are endless.

And our ambition to make your beverages profitable is limitless.
